

# COMMUNITY SERVICES

## Put the 'care' in your career

### Are you interested in caring for and helping people?

There are lots of people in our community who need support to thrive - older people, people with a disability and children in an early learning environment. These are growing industries with great opportunities to build a rewarding career and make a real difference in people's lives.

You will have the opportunity to develop skills and knowledge for work in aged care, disability support AND child care roles, giving you the chance to see what industries you like most.

#### What you need to bring:

Your own laptop or tablet if possible.

#### Why VET delivered to secondary students?

Try out a career while you are still in school. Get a head start with hands-on experience AND gain a nationally recognised qualification!
