

Certificate II in Civil Construction

This qualification provides students with an overview of working in an operational role in civil construction. Civil construction labourers assist tradespeople on construction sites by performing a wide range of manual labouring tasks such as excavating, taking measurements, reading plans and using tools and equipment. This program also provides a pathway into further training as an apprentice or trainee within the civil construction industry.

Course Overview

This qualification provides students with an overview of working in an operational role in civil construction. Civil construction labourers assist tradespeople on construction sites by performing a wide range of manual labouring tasks such as excavating, taking measurements, reading plans and using tools and equipment. This program also provides a pathway into further training as an apprentice or trainee within the civil construction industry.

Proposed Units

CPCCWHS1001 Prepare to work safely in the construction industry
 RIIBEF201D Plan and organise work
 RIICCM201D Carry out measurements and calculations
 RIIWHS201D Work safely and follow WHS policies and procedures
 RIICOM201D Communicate in the workplace
 RIISAM204D Operate small plant and equipment
 RIICCM202D Identify, locate and protect underground services
 RIICCM209D Carry out concrete work
 RIICCM203D Read and interpret plans and job specifications
 RIICCM205E Carry out manual excavation
 RIICCM207D Spread and compact materials manually
 RIICCM208D Carry out basic levelling
 RIICCM206D Support plant operations
 RIISAM203D Use hand and power tools
 RIIWHS205D Control traffic with stop-slow bat
 RIIWVG203D Drain and de-water civil constitution site
 RIIWHS302E Implement traffic management plan

Pre-Requisites

Nil

Clothing and Equipment

Student must supply:

- Safety boots
- Wet weather gear

Course Type

Accredited Course;
VDSS

Course Code

RII20720

Campus

Bairnsdale Trade Centre
Yallourn

Completion

Full

Duration

2 years

Scored Assessment

No

VET in VCE

Yes

Structured Workplace Learning

Strongly Recommended

- Hat (sun protection)

TAFE Gippsland will supply:

- Branded shirt, safety glasses, gloves, sunscreen and ear protection supplied

Pathways

- Certificate III in Civil Construction
- Certificate III in Civil Construction Plant Operations
- Certificate IV in Civil Construction

Potential Job Outcomes

- Civil plant operator
- Civil engineer

Entry Requirements

NA
