COMMUNITY SERVICES

Start your caring career

Do you enjoy helping others and making a difference in their lives?

Some people in our community, like older adults, people with disability, young children and babies, need extra support to live their best life. That's where you can step in.

This course gives you the chance to explore what it's like to work in aged care, disability support and early childhood education. You'll learn and develop skills, meet people in the industry, and discover the path that feels right for you.

If you're someone who cares and wants to do work that matters, this could be your perfect first step.

CCG is a Registered Training Organisation (RTO No. 4181) and provides Nationally Recognised Training. Our training will provide you with a qualification that is recognised across Australia. This training is delivered with Victorian and Commonwealth Government funding.

RTO No: 4181

What you need to bring:

- Your own laptop or tablet if possible

Why VET delivered to secondary students?

- Try out a career while you are still in school. Get a head start with hands-on experience AND a nationally recognised qualification!
